1 Choose Subscription Package

Choose from any of the packages described to your right. There is sure to be one that fits your schedule. **All prices shown already reflect the 5% subscriber discount.**

2 Choose Seats

We have added **more affordably priced sections** this year, all listed below. Choose the one that is right for you, and provide an alternate second choice. Fill-in the price based on your first choice.

3 Choose Seats and Operas for SELECT 4/5

Not able to attend all six productions? Customize a fixed seat package just for you from the list of Full Series to the right. Choose the package that best suits you and select the four, or five, operas you want to see.

You will be seated in the **same seats for all the productions** you select and will have **first choice to renew** them for the full series next season.

4 Consider a Tax-Deductible Contribution

Income from ticket sales covers less than 50% of our performance costs. Contributions, primarily from individuals, account for the difference. To thank our donors, we offer special benefits and privileges to enrich their opera experience. We consider giving level when fulfilling seating improvements and single ticket orders.

NEW THIS YEAR! Auto-Renew for the 2013/14 Season
Streamline your renewal process for next season! Check the box on the payment portion of the invoice, and you will receive an email before next year's renewals go on sale confirming your desire to automatically renew your subscription. You can change credit card or numbers at the time if so desired.

IMPORTANT INFORMATION: Checks will be deposited immediately and credit cards charged for the full value of your first choice seats. This is not a guarantee of seating. If your seat assignment is your second choice, we will automatically process any refund. If requested price is not available, the next price down will be assigned. Information is correct at time of printing. Repertoire, artists and schedule subject to change. All sales final, no refunds. Please call 213.972.8001 for updated availability.
